

Traffic Flow Instructions & Plan

(ONE WAY ROUTE)

- Access to the Car / trailer park is via Remenham Lane off Remenham Church Lane off the A423.
- There is an informal one way system in place during the Regatta. The one way system means the Lane is a designated "Clearway" & the Police will enforce **no parking in the lane** for that week.
- **From the Saturday morning prior to racing at HWR to Sunday evening after racing finishes**, all Vehicles & boat trailers will enter Remenham Church Lane from the A423 and go via Remenham Lane to the Car Park.
- All vehicles / trailers leaving the site will go down Remenham Lane directly to the A423 near Henley Bridge
- In the event of a major or minor incident the vehicle circulation pattern may need to be changed.
- All vehicles and trailers must be parked in Hillside Car Park which is on the opposite side of Remenham Lane from the general enclosure, except in the circumstances below:
- Vehicles for Pavilion (trade stands) may access the general enclosure but only to their designated parking area.
- **Disabled Parking** will be in the "Special Permit" car park.- See Disabled Access page.
- **Adaptive athletes / Para rowers**, will be located at Upper Thames Rowing Club (UTRC) & will have designated parking there.
- Certain vehicles with specific passes for **Friends / Vitrix / Officials** may park in Remenham Club / Chairman's Enclosure.
- **Care must be taken not to block any access for emergency vehicles.**
