THE DEPARTMENT OF EDUCATION AND SCIENCE  
ELIZABETH HOUSE YORK ROAD LONDON SE1 7PH  
ROBERT ATKINS MP  
Minister for Sport

I am delighted to provide this message to mark the fourth Henley Women's Regatta.

This annual event is an important one for rowing, demonstrating the skill and commitment of the many crews involved. The increasing success of women rowers at both junior and senior level in the leading events in the regatta calendar points to a growing enthusiasm amongst younger rowers and of course bodes well for the future. It is this sort of commitment which will ensure even higher levels of achievement in the years to come.

By racing at Henley you are continuing the highest traditions of rowing in this country and I wish all the teams competing in this year's event every success and enjoyment in what promises to be a most exciting day.

*Robert Atkins*
